

“Most Efficient way to do ethical consumption,
Meet ASNO to save your skin – and the planet”

ASNO

Company Introduction

We mainly working on cosmetic trading business in America and Europe. We buy products in Korea and export internationally. We offer largest volume at reasonable price. We also have our own brand called 'ASNO' which has been launched on September, 2021. ASNO is a vegan beauty brand which has a concept of protecting animals in North and South pole, which are endangered due to environmental pollution.

Our products formulated with non-irritating, natural, vegan and active ingredients. They are free of harmful ingredients such as allergenic and comedogenic ingredients. Furthermore, we support 100% vegan beauty (cruelty-free) and use sustainable materials for packaging. For now, we have hypoallergenic vegan sheet mask called 'Rescue Squad'.

Products

Rescue Boost Hydration Sheet Mask [Wrinkle-improving, Anti-aging Function / Wrinkle-improving]

Moisturizing-elasticity formula delivers a deep hydration to the skin, and it keeps moist inside and soft outside without being oily * Gold Hibiscus (Abelmoschus Extract, 5%) contains a plenty of vegan collagen

ANTI-AGING ESSENCE: A special formula of hyaluronic acids, collagen and organic centella extracts help reduce fine lines, improve skin elasticity. The sign of aging and fine lines will be a thing of the past. Adenosine and collagen boosts cell regenerations and reveal a youthful appearance. Sheet mask only contain the ingredients that are Vegan.

VEGAN FORMULA: The essence is formulated with vegan ingredients. They work together to moisturize deeply from the bottom layer of the skin leaving a natural glow. The plant-based serum essence will deeply moisturize skin, revealing a youthful glow and promote collagen production. Our product contains more amount of serum essence content than the competitors' sheet masks.

ACTIVE INGREDIENTS: The ASNO is formulated with non-irritating, natural, vegan and active ingredients. The vegan formula provides all-day and all-night long moisturization. It helps to restore moisture and to prevent breakouts by controlling oil balance on skin. The hydrating essence will be absorbed deeply through the layer of skin in seconds without clogging pores or feeling sticky.

VERIFIED VEGAN BRAND: All of the ingredients our sheet mask are exclusively vegan which makes it suitable for those with sensitive and irritating skin type. Our environment-friendly sheets are biodegradable which means it can simply be thrown in a trash can after applying them. Our products are cruelty-free and are not tested on animals. You will begin to see the youthful results within 2 weeks when used daily.

SUITABLE for WIDER RANGE ALL SKIN TYPE: The ASNO product is 100% vegan and free of hypoallergic and comedogenics. The Boost hydration Korean skin care sheet mask is suitable for women, men with dry, sensitive, normal & acne prone, aging and normal skin. This facial mask sheet is ideal to use throughout the winter and summer for any skin type including dry & sensitive skin. The facial sheet masks will leave a smooth & soft texture on skin.

Rescue Healthy Looking Glow Sheet Mask

[Whitening; Remarkable Improvement in Pigmentation and Blemishes / Brightening-moisturizing]

Brightening-Moisturizing formula provides an ideal solution for uneven skin tone and gives a vitality to the dull skin * Milk Thistle (5%) gives a remarkable effect on correcting uneven skin tone

GLOWING SKIN: Our looking glow sheet mask improves skin tone and provide natural glow with niacinamide and cranberry extracts. The essential Korean skin care contains anti-aging benefits to boost rejuvenation. The looking glow sheet mask improves and balances skin tone to reveal a healthier and clarifying complexion.

VEGAN FORMULA: The essence is formulated with vegan ingredients. They work together to moisturize deeply from the bottom layer of the skin leaving a natural glow. The plant-based serum essence will deeply moisturize skin, revealing a youthful glow and promote collagen production. Our product contains more amount of serum essence content than the competitors' sheet masks.
