Formula for successful diet, Premium J Cut

Premium J Cut contains Garcinia extract that is effective on reducing the body fat by helping break down the carbohydrate in the body before and after the meal.

From skin moisturizing to healthy joints/cartilages! Because it's J Cut.

The patented N-acetylglucosamine (NAG) ingredient contained in Premium J Cut is proven to help not only skin moisturizing, but also healthiness of the joints/cartilages.

No worries about going to the bathroom, feel comfortable!

Non-digestible maltodextrin (NMD) and water soluble dietary fiber (4,200mg) contained in Premium J Cut help bowel movements.

Energy UP with vitamins!

Premium J Cut contains 100% acceptable daily intake of vitamin B1 and B6 to present an energetic day.

Biotin, contained for energy balance care of the body

Biotin is required for the metabolism of 3 main nutrients of fat, carbohydrate and protein, and also for producing energy. As biotin is not produced inside the body, proper intake is required.

Stricly selected supplementary ingredients!

Premium J Cut contains Black Chia Seed, Chicory Root, Artichoke, Apple, Corn Silk, Opuntia Ficus-Indica Fruit Extract, L-Arginine and Glucomannan.

Enjoy J Cut twice a day!

2 times a day! Don't forget to take Premium J Cut 30 minutes before and after the meal.
